Thus there are at present 5 members on the Board as contrasted with the sanctioned list

The Presidt states that all these changes took place without the approval of Govt for which the Sub-Division Officer regrets and proposes for approval the names of 5 new gentlemen for appointment in place of the 5 existing members to represent the four Talukas in the Sub-Dn, which number he considers sufficient.

It is submitted that under rules published in Govt Notn No 110 of 14th July 74 there ought to be 7 non-official members, of whom one should be elected by holders of mani villages in the circle and the other 6 nominated by Govt.

May the Presidt be asked

asked to take steps for the election of an Inamdar member and to submit his name for the approval of Govt with a remark that the Sub-Dy Collr acted in direct contravention to rules published under Govt No 110 of 4th July 74 in making the appointment of members of the D.F Board without reference to Govt and that such irregularities should be guarded against in future.

As the draft order is in consonance with the existing rules, I think it may be issued. Unless the rules are modified, the Presidency recommendation to restrict the non-official members to 5 cannot be entertained. Dft

Order having been issued accordingly, the President now submits in compliance with para 2 thereof, a list of ~~nominees~~ non-official members for Govt sanction. This list, it is submitted has been prepared on the motion of the Board and not on the President's motion.

Sir

I have the honor to request to be informed as to whether the Amildars &c of the Sub Division should be summoned to attend the Local Fund meeting here, or whether the Sub Division Officer will have a Local Fund Board of his own. The only objection I can see against the latter arrangement is that two Boards will necessitate two Budgets & two separate Local Fund accounts.

To

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to request the favor of your obtaining for me the orders of the Government as to whether the Local Fund Board of the French Rocks Sub Division should continue as hitherto

2. Under orders of Government contained in Proceedings No: 85-93/2 dated 6th April 1883, a Local Fund Board was formed for the Sub Division, but under para 5 of proceedings No: 136-45/7 of the 29th March 1886, it is no longer an independent Sub Division The Public works Department also has not an independent Range at French Rocks. It has been amalgamated with the Mysore

Division

Division and is now under the orders of the Executive Engineers.

3. I therefore consider a separate Board for the Sub Division at French Rocks unnecessary and would recommend its being dissolved, amalgamating it with the District Board.

4. I take this opportunity to request orders for the re-election of members of the Board and for appointing some non-official members selecting a few amongst those who served on the Sub Division Board. Such members, of whom there are none at present, are necessary for the better administration of the Local Funds Board.

I have the honor to be
